2013 – 2014 A Wonderful Year Benjamin Cox, DTM District Governor

If District 16 is Distinguished (and it appears it will) it will be because of the hard work from years past and present. What YOU did remarkably well was hang onto the clubs we had and add more. YOU have not lost many clubs due to the minimum membership increase to 8. With every man and woman working together District 16 overcome all obstacles. I believe YOU are on a roll. This year YOU made it. Next year could be a banner year.

The district has some 1300-1400 members. Some did more, some did less, but YOU made this happen. There were times YOU needed a spark and someone gave it to you. There were times when YOU needed a rest and someone said, "I'll help!" There were times when it didn't seem possible to do what YOU did, but YOU got it done. THANK YOU.

"All the real heroes are not storybook combat fighters. Every single man in the army plays a vital role every man is important." General George S Patton.

Without the structure and guidance of 20 people in this District, without their support, without the boost at the right time, without a pat on the back when it was needed, without a strategic course correction or timely reminder, we might not have made it to Distinguished. These top leaders working with clubs, area governors and individuals play an important part in the district's overall success.

Therefore I want to honor and thank this group of men and women for stepping up to the plate and accepting what at times might feel like a thankless role. They stayed the course and did their part to help YOU make District 16 be the best it can be. They helped YOU set the stage for an even better experience next year. THANK YOU.

Don't Sit Down Just Yet

Douglas Weeks, DTM
Division K Governor

What a year! Give your fellow Toastmasters a High Five. **BUT, DON'T SIT DOWN JUST YET!** Momentum is on our side. If we sit down now, we would have to start all over again. Not an option!

"The snowball effect" is often a figurative term for a process where something starts off relatively insignificant and grows into something much larger. A snowball requires attention and hard work upfront to jump start its natural motion. As it begins to roll and gain momentum, less outside force is needed — it grows at a faster pace, becoming powerful and nearly unstoppable! By author Kristin Barton Cuthriell, MEd., MSW, LCSW

Thanks Past District Leaders and fellow Toastmaster for starting the snowball effect a number of years ago creating the zenith for 2013-2014. This momentum, (snowball) effect will launch District 16 to higher success in the years to come.

Success loves momentum (speed)

- Efficient – It is Easier, Making Life Less Stressful at the End (Toastmasters Fiscal Year)
- Effective – Creates Results – (More Educational Awards, More New Toastmasters, DCP)
- Exciting – Fun! Appealing! Inspiring! Interesting! – (What Every Toastmaster is)
- Attractive – Intensity Attracts More (New TMs, Clubs, and Recognition)
- Builds Confidence – Assurance, Poise, Reduces Fear! (Toastmasters' Traits)
- Creates Velocity – Builds More Momentum! (Awards, Incentives, Heritage)

Snowball effect will do more for the Toastmaster i.e. new friendships, career objectives maximized, education, communication and leadership goals obtained. Hard to imagine, what life would be without Toastmasters in it. Momentum is the energy and strength that will propel next year! What an exciting, adventurous journey it will be! Thanks for the memories. Together We Keep It Rolling.

DON'T SIT DOWN JUST YET!

A Distinguished Year

**Jieliang Pan, DTM
Lt. Governor
Education & Training**

It has been a challenging year for all toastmasters in the world. Our district was not an exception. Many clubs were affected by the increase of membership requirements, the slow recovery of economy, and the structure adjustments of many corporations. But our members and leaders didn't give up. We knew the values of the Toastmasters Program, we continued working on improving our communication and leadership skills, and we believe the skills we learned will benefit our career, our family, and our community. WE MADE IT!

Thanks to our members and clubs for working so hard to accomplish our distinguished club goals. Thanks for giving us the opportunity to serve you and your club, and for supporting our district and encouraging us to grow in Toastmasters.

It is my great honor to continue serving you as District Governor for 2014-2015. We have completed our first district leaders' training conducted by our Region Advisor Linda Williams and current district leaders.

Our incoming district leaders are looking forward to working together toward the District Mission. We understand every success is based on good planning. Our district, division, and area leaders are working on the Success Plan and getting ready to serve you effectively.

The End of The Journey

**T.A. Jones, DTM
Lt. Governor
Marketing**

As we finish one journey a new one begins. Serving as your Lt Governor of Marketing for the last year has been a pleasure and honor. I've learned so much from each one of you. It has been a very humbling experience one which I will treasure forever.

The important lesson is that we worked as a team helping our low member clubs, putting on demonstration meetings, sponsoring and chartering new clubs. Most importantly we as Toastmasters members, asked friends, family and peers to join our organization.

We worked hard towards becoming a distinguished district. We took that challenge and we achieved our goal. We have worked hard and achieved the status of Distinguished District for the 2013-2014 year. I would like to thank everyone for their help.

As this journey ends a new one begins I would like to thank you for your confidence in electing me to be the Lieutenant Governor Education and Training for the 2014-2015 year. My team and I are looking for ways to make the training fun and exciting. The year 2014-2015 looks very bright I look forward to seeing each of you to getting better acquainted. I love my Toastmasters family. Thank you so much.

Each one of these members deserves your congratulations for a job well done. Not only did they achieve personal success. Each one of them contributed to their clubs Distinguished Club program. By the Clubs reaching Distinguished status it helped make the District be Distinguished. This is a prime example of how Toastmasters is mutually supportive, in working together to improve each other.

Rhonda Green, DTM
District 16 Public Relations Officer

It has been my great pleasure and a wonderful learning experience to serve as your District Public Relations Officer for 2013-2014 Toastmasters year. I enjoyed getting the opportunity to reach out and contact each member of the District. The Purpose of the monthly Newsletters was to communicate to all of the members, to keep them aware of activities, incentives, contests, plans promotions and more.

In a few short months, 12 to be exact I have learned so much about public relations, with a limited budget.. Thank you to all of the clubs which participated in the Club Website Contest, The Club Newsletter Contest and the Members which participated in the PR Ambassador Program.

THANK YOU FOR YOUR HELP - GOOD LUCK IN YOUR TM CAREERS
