PROJECT DESCRIPTION

Deliver Your Message with Humor

This project focuses on creating a keynote-length speech that effectively delivers a message and humor to an audience.

Purpose: The purpose of this project is to practice developing and presenting a longer humorous speech.

Overview: Write and present an 18- to 22-minute keynote-style humorous speech. You may choose to use visual aids if they fit your speech and your style. If you receive advanced approval from the vice president education, you may present your speech to a non-Toastmasters audience.

This project includes:

- The Speech Outline Worksheet
- An 18- to 22-minute keynote-style humorous speech
